

ELALIM ELTAYEB ABDELRAHMAN MOHAMED

MBBS (First Class Honors) | Medical Educator & Healthcare Researcher

Email: alalmaltyb52@gmail.com | Phone: +249 967 078 506 / +249 112 128 527

Location: Khartoum - Omdurman, Sudan

Profiles: LinkedIn | ORCID: 0009-0009-5415-1967 | Google Scholar Profile Available

Summary

Highly motivated medical graduate with First Class Honors, demonstrating a distinguished record in medical education, academic teaching, curriculum development, and healthcare research. Proven leadership as Founder and Director of the Abou-aloloum Center for Medical Education and Research (ACMER) and former President of Haj Malik Research Group. Accomplished author of a medical research textbook, active peer reviewer, and contributor to multiple peer-reviewed publications. Expert in integrating Artificial Intelligence (AI) into medical curricula, student-centered learning, and clinical audits. Driven to advance evidence-based medical education and clinical research globally.

EDUCATION

Bachelor of Medicine, Bachelor of Surgery (MBBS) - Faculty of Medicine, Red Sea University, Sudan

Graduation Date: May 2026

Academic Standing: First Class Honors

Final Year GPA: 4.00 / 4.00 | Cumulative GPA: 3.77 / 4.00

HONORS & ACADEMIC AWARDS

Prize of Surgery | Faculty of Medicine, Red Sea University (Graduation Cohort, 2026)

Prize of Anatomy | Faculty of Medicine, Red Sea University (2022)

TEACHING & MEDICAL EDUCATION EXPERIENCE

Assistant – Department of Physiology

Faculty of Medicine, Red Sea University
2024 – January 2026

- Conducted physiology practical sessions for undergraduate medical students.
- Facilitated small-group learning activities.

Research Assistant – Medical Education Center

Red Sea University
September 2022 – December 2025

- Conducted literature reviews and educational research activities.
- Participated in protocol development and ethical approval submissions.
- Contributed to research projects related to medical education and healthcare quality.

Lead Trainer in Artificial Intelligence Applications in Medicine

Education Development Center (EDC)
2025 – Present

- Designed and delivered workshops on AI integration in medical education.
- Trained healthcare professionals and students on educational technologies.
- Developed learning resources for AI-assisted academic practice.

Founder & Head of Board

Abou-aloloum Center for Medical Education and Research (ACMER)
2024 – Present

- Established a medical education and research training center.
- Designed educational curricula and research training programs.
- Supervised educational activities and academic collaborations.
- Mentored students in research methodology and academic development.

Haj Malik Research Group (HMRG) – first leader and president

Duration: 2022

- Personally trained 4,000 + students and medical doctors in healthcare research.
- Guided research groups from project conception to final publication.
- Organized open-access medical training camps and health awareness events.

PROFESSIONAL & RESEARCH EXPERIENCE

Director of Research Office | Haj Malik Research Group (HMRG)

Duration: February 2023 – September 2024

Main Responsibilities: Managed teams of research assistants, coordinated multi-center projects, and delivered advanced courses in Biostatistics (SPSS), Systematic Reviews, and Meta-Analysis.

Member of Health Quality Improvement Committee | Port Sudan Teaching Hospital

Duration: January 2023 – Present

Main Responsibilities: Developed hospital quality assurance protocols, executed clinical audits, and co-authored localized hospital guidelines adapted from international standards in infectious diseases, infection control, trauma management, and neurology.

Red Sea State Coordinator / Supervisor | Sudanese Society of Hypertension

Duration: May 2024 – November 2024

Main Responsibilities: Supervised the regional implementation of the May Measurement Month (MMM) blood pressure screening and epidemiological survey.

Peer Reviewer | International Journal of Medical Students (IJMS)

Duration: November 2024 – September 2025

PUBLICATIONS & BIBLIOGRAPHY

Books:

Mohamed, E. E. A. (2026). Medical Research Made Simple. DOI: 10.5281/zenodo.18862291.

Published Peer-Reviewed Papers:

- Rabih, M., Ahmed, A. B. M., Abdelgyoum, H. A., Elhassan, S., **Mohamed, E. E. A.**, et al. (2026). Availability and readiness of healthcare services at primary healthcare centers during the Sudan war: a cross-sectional study. *BMC Primary Care*, 26(1), 317.
- **Mohamed, E. E. A.**, et al. (2024). Determinants of Delay in Seeking Medical Care among Patients with Chronic Illnesses in Two Hospitals in Port Sudan: A Cross-Sectional Study. *Zenodo*. DOI: 10.5281/zenodo.18822576.
- **Elalim Eltayeb Abdurrahman**, Abduraheim, R. A., Alabdin, N. Z., et al. Psychological Disorders (Anxiety, Nervousness, and Social isolation) Among Diabetic Patients in Port Sudan. *Napata Scientific Journal*.

Manuscripts Under Peer-Review:

A Comparative Analysis of Quality of Life Between Illiterate and Educated Diabetic Patients in Port Sudan: A Cohort Study (2025).

Prevalence and Predictors of Depression, Anxiety, and Post-Traumatic Stress Disorder Among Displaced Sudanese Populations: A Cross-Sectional Study (2025).

Monitoring of Plasma Glucose Levels in Patients with Type 2 Diabetes on Dialysis in Port Sudan City (2026).

Seasonal Variations in Dengue Fever: A Retrospective Cohort Study Comparing Summer and Winter Patterns in Port Sudan (2-Year Analysis) (2026).

Post-Traumatic Stress Disorder among Epileptic Patients during Armed Conflict in Sudan: Correlation of Demographic, Clinical, and Epilepsy-related Factors (2026).

Active Research Projects (In Progress):

Barriers to Participation in Medical Research: A Study on Medical and Health Students' Challenges and Needs (2026).

The Importance of Integrating Medical Research into Medical Education: Perspectives from Sudanese Medical Students (2026).

Outcomes and Complications of Appendectomy: A Retrospective Cohort Study in Port Sudan (2026).

The Impact of Simulation-Based versus Traditional Teaching on Emergency Surgery Knowledge and Student Perceptions at Red Sea University: A Randomized Controlled Trial (2025-2026).

CONFERENCES & SCIENTIFIC PRESENTATIONS

Upcoming Presentations:

International Conference on Psychological Assessment, Psychiatry and Mental Health (ICPAPMH-26) | Melbourne, Australia (August 4-5, 2026)

Role: Presenter (Oral).

Paper: Prevalence of Depression, Anxiety, and Post-Traumatic Stress Disorder among Displaced Sudanese Populations: A Cross-Sectional Study.

Conference Leadership & Organization:

Scientific Committee Member & Organizer | 2nd Scientific Conference of Red Sea University (RSU) (December 2025)

Theme: Research Evidence Improving Practice.

Head of Organizing Team | 1st Scientific Conference of Red Sea University (RSU) (November 2022)

Theme: Together Toward Better Health.

Selected Conference Participations:

4th Arab Summit on Tobacco Control (January 2026)

Presentation: "The Role of AI in Tobacco Cessation" (Under the auspices of the Arab Union for Tobacco Control).

2nd Scientific Conference of Red Sea University (December 2025)

Presentation: Monitoring of Plasma Glucose Levels in Patients with Type 2 Diabetes on Dialysis in Port Sudan City.

5th World Sepsis Congress: Sepsis Research and Innovation (April 2025) | Attendee.

1st Alneelein Health Scientific Conference (December 2024)

Presentation: Psychological Disorders Among Diabetic Patients in Port Sudan.

ASiT Conference (Association of Surgeons in Training) | London, UK (November 2024)

Presentation: Direct Comparison of Pneumatic and Laser Lithotripsy in the Management of Lower Ureteric Stone, in Ibn Sina Hospital and Omdurman Military Hospital

1st Scientific Conference of Port Sudan Teaching Hospital (November 2024)

Presentation: Delivered 3 healthcare guidelines (2 in Infection Control, 1 in Traumatic Brain Injury Management).

National Burn Day (October 2024) – Sudanese plastic surgery association – port Sudan | Attendee.

Organ Transplantation in Sudan Workshop | Port Sudan (June 2024)

Presentations: Renal Transplantation in Sudan: History and Reports and Establishment of Bone Marrow Transplantation in Sudan: Acute Needs and Challenges.

1st Scientific Conference of Red Sea University (February 2024)

Presentation: "Current Situation of Medical Scientific Research in Sudanese Universities: Challenges and Solutions."

32nd Scientific Conference of the Sudanese Association of Physicians (SAP) | Khartoum (March 2023)

Presentation: prevalence of Diabetes Mellitus among port Sudan populations – across sectional study -2022 Patients.

PROFESSIONAL TRAININGS & CERTIFICATIONS

Research & Methodology Courses:

Editorial Integrity and Innovation in Medical Publishing | Scientific Scholar (Sept 2025):
Studied publishing ethics, plagiarism prevention, and peer-review management

Systematic Review and Meta-Analysis | Teach Me Research (Sept - Oct 2024): Learned how to screen international databases, extract clinical data, and perform premium statistical synthesis of medical evidence.

Medical Statistics using SPSS | Teach Me Research (Nov 2024): Mastered data entry, variable management, and performing advanced statistical tests (T-tests, Chi-square, regression) for medical surveys.

Scientific Writing and Publication | Teach Me Research (Oct - Nov 2024): Studied how to structure academic medical papers (IMRAD format) and navigate peer-review journals successfully.

Research Methodology (Advanced) | Teach Me Research (Oct - Nov 2024): Acquired advanced pedagogical skills to teach complex epidemiology and medical ethics to healthcare students.

Certified Medical Research Trainer | Research and Publication Foundation (Jan - Sept 2023)

Clinical Audit Certification | Sudanese Association of Physicians (SAP) (March 2023): Gained practical knowledge on how to evaluate clinical practice against healthcare guidelines to minimize clinical errors.

Research Methodology | Red Sea University Capacity Building Center (Feb 2023)

Basic Research Methodology | Blue Nile Medical Training Center (March - April 2022)

Clinical & Medical Education Courses:

Basic Surgical Skills (BSS) | Education Development Center (EDC) & HMRG (Feb 2025)

Professional Diploma in Pharmacy | Bafadny Training Center (Oct - Dec 2023):

Community-Based Health and First Aid (CBHFA) | Sudanese Red Crescent (Dec 2019 - Jan 2020)

MEMBERSHIPS & VOLUNTEER WORK

Professional Memberships:

Member, European Academy of Neurology (EAN) (2025 – Present)

Member, American Academy of Neurology (AAN) (2024 – Present)

Volunteerism & Community Health:

Emergency Volunteer | SUDRO Organization – CMRT Red Sea Team (2023 – March 2026)

Director of Health Office | People's Organization for Development and Rehabilitation, Port Sudan (2023 – 2024)

Clinical Campaigns Volunteer | Haj Malik Research Group (Health Department) (2025 – Present)

SKILLS

Medical Education: Curriculum Design, Student Assessment, Problem-Based Learning (PBL), Simulation-Based Training, Academic Mentoring.

Research & Biostatistics: Advanced Research Methodology, Systematic Reviews & Meta-Analysis, Clinical Audits, SPSS Statistical Software, Scientific Writing (IMRAD).

Leadership & Technology: AI Applications in Healthcare Education, Project Management, Healthcare Quality Improvement, Cross-Functional Team Leadership.

Personal development:

Professional Diploma in Public Administration | FAL Training Center (2025)

International Organization Management | Love and Communication Charitable Association (Jan - Feb 2024)

Training of Trainers (TOT) | Love and Communication Charitable Association (Oct 2023)

Feasibility Studies & Financial Accounting | Lantern Training Center (Oct 2023)

Time Management | Love and Communication Charitable Association (Oct 2023)

Languages:

Arabic: Native Speaker.

English: Full Professional Proficiency (Very Good Command).
